Dear Parishioners & friends of St. Anthony's,

As you already know, St. Anthony of Padua Parish is a Franciscan parish staffed by Franciscan Friars of the Sacred Heart Province and many other wonderful staff members. In The Testament, one of the writings of St. Francis of Assisi who began the Franciscan Order, he writes that, "The Lord revealed a greeting to me that we should say: 'May the Lord give you peace.'" It is hoped that St. Anthony's Parish has always been and will always be a place of welcome and peace for all people. And so today, in a world that is so troubled at times in so many different ways, we affirm and offer once again to all, the greeting of St. Francis, "May the Lord give you peace."

In 1861 Franciscan Friars from Teutopolis, IL started helping local clergy in the St. Louis area. On December 20, 1862 Fr. Servace Altimicks, a member of the first group of Franciscans who arrived in Illinois from Germany in 1858, came to help out with Christmas Masses in St. Louis. Archbishop Kenrick of St. Louis having heard of the friars helping the local clergy, then invited the Franciscans to come, establish a parish, and help with the ministry needs of the growing German population. In February 1863 the Franciscans moved into their first and temporary friary for St. Anthony's. For over 160 years the Franciscan friars, religious sisters and countless parishioners have sought to bring the Gospel to the people of the Southside of St. Louis.

Throughout our many years as a parish, we have welcomed the immigrant, educated our children, comforted those in need and celebrated the wonderful gift of our Catholic faith here in this parish.

The Parish is blessed to have all of you who are listed in this helpful Directory. We are grateful to all who continue to consider St. Anthony's their "home" even though today they may live many miles from Meramec Street. May each of us work to continue to provide a welcome for our parishioners, our neighborhood & all who are searching for God's mercy.

I encourage you to thank the advertisers and sponsors of this Guide Book and Directory. Thanks to their generosity this Directory is made possible. If you do not see your name listed in this Directory or corrections are needed, please be sure and contact the parish office.

*May the Lord give you peace!*  
*Fr. Jim Lause, OFM, Pastor*

## St. Anthony of Padua Parish Mission Statement

We, the members of St. Anthony of Padua Parish, strive to live out our faith as Christians in the Roman Catholic Church. Influenced by Franciscan spirituality, we see ourselves as a caring community, drawing from the strength and tradition of those who have gone before us, the wisdom of our senior members, and the energy of our younger members. We see St. Anthony's Church as a cornerstone in our changing neighborhood in South St. Louis.

We believe that our faith is our common bond; that all of us are made in the image and likeness of God and, as such, possess a dignity and potential that is to be respected. We are called to be signs of God's love to each other and to all we meet. We believe our strength and nourishment come from the Church's ministry of Word and Sacrament.

Having experienced God's grace, we commit ourselves to announcing to others God's saving love for them. We will face the future by reaching out and serving the needy, by fostering spiritual growth in our families, by educating our children in Christian values, by welcoming visitors and strangers into our community, and by joyfully facing the challenges of our neighborhood. We value openness rather than negative criticism and reconciliation rather than materialism, selfishness, and prejudice. We want to become a parish family with a care and concern that is characteristic of family members.

## Parish History

The long history of St. Anthony's begins in 1863 when the first Mass was celebrated by Fr. Servace Altmicks, OFM, in a house donated by Mr. Witnell. From these humble beginnings, the parish began to grow, and the first church was built on the corner of Meramec & Kansas (now Compton). That first church opened in April 1864. The Franciscan Friars of Sacred Heart Province have staffed the parish from its beginning.

The value of education of the children of the parish took a big step forward with the building of the first school in 1870. In 1883, the Sisters of St. Joseph of Carondelet joined the parish and served it faithfully through their teaching ministry until 1996. A new boy's school was built in 1901 staffed by the Brothers of Mary and a girl's school, from kindergarten to twelfth, was opened in 1924.

As the parish grew and prospered, a new church was begun in 1908 and completed in 1910. It was refurbished in 1963 for the parish centennial and again in 1991. The church building was severely damaged by a fire caused by lightning on April 28, 1994 and was restored for the celebration of Christmas 1995. A new convent was built in 1955 in appreciation for all the work done by the Sisters. In 1996 it was sold to "Our Lady's Inn," an emergency shelter for women in crisis.

In 1963 the elementary school on Compton Avenue was finished and was open until 2005. Confluence Academy purchased the building in 2007. The high school closed in 1985. It housed Marian Middle School, and in 2006 became part of Confluence Academy. The former Knights of Columbus Hall, directly across from the Church, was purchased, renovated and opened as The St. Anthony Parish Hall in November 2007.

In the last 13 years or so the parish—currently comprised of about 500 registered households—has gradually become more diverse with local Catholics, both African Americans and others from St. Louis parishes, as well as refugees and immigrants from various countries in Africa, particularly Eritrea and Burundi .... Hispanics, mostly from Mexico .... and some Vietnamese and Filipino Catholics. Both longtime parishioners and those here for a short time enrich our parish community by their presence and by their sharing of prayer, participation, and generosity.

The Franciscan Friars continue to serve the parish, along with, a Sister of the Most Precious Blood of O'Fallon and many active parishioners. Maximizing resources through collaboration with other South City parishes, St. Anthony's supports our regional Catholic School Cabrini Academy and our regional South City Deanery P.S.R. Particularly strong in the parish at this point in our history are our spirit of welcome, groups such as the Men's Group, and service to the neighborhood through our Food Pantry, St. Anthony of Padua's Conference of St. Vincent de Paul, and our annual Trunk or Treat. All are welcome to share in the richness of all that St. Anthony of Padua Parish is today!

You can register your child in May, June or August; classes start toward the end of August. ### **Adult Preparation for the Sacraments of Initiation**

The preparation of adults to be initiated as Catholic Christians is a process by which adults enter into Christian life through the Sacraments of Baptism (or, if already baptized, are received into the Catholic Church through a profession of faith), Confirmation and the Eucharist. The process, which can be an extensive one for those who are not baptized, requires a commitment from the participants. A sponsor from the parish accompanies the person on this journey of faith that usually culminates for the unbaptized at the Easter Vigil. Please call Patrick Dwyer (314) 655-0550 if you would like more information about this process.

### **Sacrament of Matrimony**

Celebration of the Sacrament of Matrimony requires advanced planning and scheduling. St. Anthony of Padua Parish, and the Archdiocese of St Louis offer several methods of preparation based on the needs of each couple. Please contact the Parish Office at least six months in advance of the desired wedding date so that arrangements can be made. Our wedding coordinator Jeanine Tiemann can be reached at [staweddings@hotmail.com](mailto:staweddings@hotmail.com) or by phone at (314) 795-7227. She is available to schedule a date and provide additional information.
